Certificate

Certificate number: 2021-009

Certified by EY CertifyPoint since: February 26, 2021

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015, the Information Security Management System as defined and implemented by

Figma, Inc.*

located in San Francisco, the United States of America is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: February 26, 2021
Expiration date of certificate: February 25, 2024

EY CertifyPoint will, according to the certification agreement dated May 8, 2020, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

The certification is applicable for the assets, services and locations as described in the scoping section at the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, version 2021.01, signed on January 21, 2021.

Figma, Inc.

Scope for certificate 2021-009

The scope of this ISO/IEC 27001:2013 certification is as follows:

The Information Security Management System is scoped to include the Figma application.

The Information Security Management System is centrally managed out of Figma, Inc. headquarters in San Francisco, the United States of America.

The scope mentioned above applies to the following location:

116 New Montgomery St #700, San Francisco, CA 94105, the United States of America

The Information Security Management System mentioned in the above scope is restricted as defined in "Figma_Scope" version 2021.01, signed on January 13, 2021.

This scope is only valid in connection with certificate 2021-009.
