Scope for certificate 2021-009

The scope of this ISO/IEC 27001:2013 certification is as follows:

The Information Security Management System is scoped to include the Figma application.

The Information Security Management System is centrally managed out of Figma, Inc. (virtual) headquarters in San Francisco, United States of America.

The scope mentioned above applies to the following registered legal entity address:

760 Market Street, Floor 10 San Francisco, CA 94102, United States of America
(Currently as a virtual office location)

The Information Security Management System mentioned in the above scope is restricted as defined in "Figma_Scope" dated January 17, 2023.

This scope is only valid in connection with certificate 2021-009.
